Tuesday 24th April, 2018

Dear Parents / Carers,

Please may we take this opportunity to introduce ourselves, and to share with you our vision of having a farm at Manor Green Primary Academy.

We are a committed group of staff who understands the time, effort & dedication this will take, but we can assure you that the animals' care and welfare will be our utmost priority.

At the moment, we are keeping rabbits and guinea pigs but we have also been given three good egg-laying chickens but up to now we have no coop to keep them in. When we do get chickens we intend them to be free-range by day and put them in the coop at night.

We have also been pledged enough pallets to build a goat enclosure but we need a good quality shed for them to sleep in and, of course, some goats.

To launch and maintain our farm, we need to do some fund raising. Mrs. Warren, who is supporting us wholeheartedly, has assured us that all funds raised for the farm will go directly to this project.

Our first fundraiser will be a cake bake to be held on **Thursday 10th May**. We are asking, would you please send into school, cakes, homemade or bought, to be put on sale in the afternoon. Any cakes left over will be for sale in the junior hall at the end of the day.

Please support us by baking, buying and taking home some cakes.

Many thanks for your continued support.
