Tuesday, 24th April 2018

Dear parents and carers,

I am writing to you today to thank you for your support with our 'Home Learning Challenge Grids' last half term. The children thoroughly enjoyed completing their projects and sharing their work with their classes. All grids for this half term have been shared and are available on our website or by [clicking here](#).

As a reward for their time and effort, children will receive one smiley face for each completed section of their 'jigsaw'. This means that children can earn six smiley faces each half term – this includes those projects completed last half term.

We're very excited to see what your children come up with this half term. If you have any questions around the Home Learning Challenges, please see your child's class teacher.

Thank you, as always, for your continued help and support.

Yours sincerely,

Mr. S. Mycroft
Vice Principal
