To Reception Parents / Guardians,

Dear Parents / Guardians,

Before the Easter break, the children took part in a visit from "the dinosaur" for the afternoon where they were able to interact and see a dinosaur at close range. Later on this half-term, Reception children will be experiencing the "Living Eggs Ready Hatch Programme" whereby they can see eggs incubate and hatch into chicks. Although these events have been subsidised by school, we are asking for a voluntary contribution of £5.75 per child to go towards the payment of these exciting programmes. Please pay on ParentPay to contribute.

These exciting opportunities are designed to enhance the children's learning experience.

Many thanks.
