Dear Parents and Guardians

I am writing to you today to ask for your support for one of our pupils and her family.

Ava-Grace in Year 1 has recently been diagnosed with Acute Lymphoblastic Leukaemia. She is currently undergoing her first course of treatment.

I am sure that you join me and all of the staff in sending our best wishes, thoughts and prayers to Ava-Grace and her family during this difficult time.

Staff have today spoken to the children, explaining the condition using the information from the Macmillan website. Your child may come home and tell you or have questions. We are happy to support you in helping children to understand and will work alongside the Macmillan Nurses to support this.

Thank you for your continued support.

Yours sincerely

Mrs D Warren
