23rd May 2018

Breakfast and Homework Club

Dear Parents and Guardians

We have noticed over the last few weeks that there has been a substantial amount of toast left over at morning playtimes, in addition to this we have been monitoring the waste food in the kitchen and found that this needs to be reduced. There have also been a number of comments linked to children running around eating their toast outside at playtime.

As such we are going to implement a Breakfast/ Homework Club from 11th June 2018 until the end of the academic year. This will open from 8.20am and will be a "pay on the day" service run by our school kitchen. Any child can come to the club and have toast, cereal, juice or one of the daily specials (see page 2 for a menu). They will pay only for what they eat on the day. There will also be i-pads available at this time for those children who do not have access to the internet at home, or who have not had time to complete their homework – whatever this might be.

Children can also attend the club just to complete their homework should they wish to.

This will mean that children will no longer have toast at 10.40am. If children wish to have a snack at playtime, they can bring a piece of fruit to have at this time. Milk will still be available as per the system paid for via Cool Milk. Fruit will continue to be available to all infant children as per the government free fruit scheme.

Friendly Faces will continue to operate as usual for those parents requiring an earlier drop off time. The morning price for Friendly Faces includes breakfast so those children attending do not need to bring additional money for the club.

Thank you for your continued support.

Yours sincerely

Mrs D Warren

Principal
