15<sup>th</sup> June 2018

Dear Parents and Carers

Welcome back and I hope that you all enjoyed the half term break. The sunshine was certainly very welcome. It is ironic that the only day of rain in the last 3 weeks seemed to manage to coincide with EYFS & Key Stage 1 Sports Day!

It is that time of year again when we start to look forward to ensuring that plans are in place for the new academic year. With that in mind I am writing to you today to outline our plans for in-school transition arrangements

We will be saying goodbye to Mrs Dunphy at the end of this term. She has chosen to leave us and focus on her more creative pursuits – many of you will know that she is a professional musician and confectioner as well as a teacher here at Manor Green. She will be sadly missed for her musical inspiration.

Overleaf is the staffing list for next year. As you can see we are having some changes of class teachers. This allows a fresh pair of eyes to approach teaching in different year groups and also allows teachers to develop their continued professional development. This is normal practice in primary schools, to keep a healthy, rejuvenated team of staff. All teachers who are moving year groups will have continued support both internally and externally. They are looking forward to the new experiences and challenges new classes will bring.

Our transition days in school will be 5<sup>th</sup> and 6<sup>th</sup> July 2018. Your child will spend the day in their new class, with their new teacher. **Parents need to drop off and collect at their current classrooms** – we will save the confusion of this until September! Any children whom we feel would benefit from additional sessions will then have these facilitated before the end of the academy year.

Thank you for your continued support.

Yours sincerely

Mrs D Warren  
Principal
