11th June 2018

Dear Parents and Guardians

We will be hosting a visit from the adventurer Nick Carter on 27th June 2018 as part of his latest challenge to run 1,360 km from John O'Groats to Land's End, to promote the ideas of resilience and determination, and to get children out having their own adventures.

The chosen beneficiary for this challenge is Committed Project (www.committedproject.org). We are aiming to raise £500 for this cause before Nick's visit to us. Rather than just another non-uniform day we thought we'd challenge the children to collectively walk (or run) the same distance that Nick will be running.

We have watched this video in assembly this morning to explain what we are doing to the children, please feel free to watch it again at home: <https://vimeo.com/273581996>

We are asking you to help your child by sponsoring him or her to walk (run or jog) their part.

We will facilitate this in school and ask for all sponsor money to be returned to the academy office by Thursday 21st June 2018.

Thank you for your continued support.

Yours sincerely

Mrs D Warren

Principal
