Dear parents and carers,

Attendance Update – Summer Term 2, Week 5

As you'll be aware, we've promised an additional reward for those classes above our attendance target each week for the final part of this academic year. The table below shows the latest attendance for this half term and any class above 97.5% for last week, win an ice-pop on Friday! If we owe an ice-pop, you'll see a '✳' by their attendance score. Again, thank you for your continued help and support. From the colour-coded table below, you'll see that our attendance took a sharp increase last week. Thanks for your support. Let's keep it up again this week!

In addition to this extra incentive, we've also have our weekly classopoly prizes. As we promised when we launched Classopoly, the children have added new prizes to the board. Suggestions from our school councillors included: ice-pop each, extra art lesson, class access to the back field at break time and double dice roll in smiley faces. Recently, due to the increasingly hot weather, our assemblies haven't been as frequent so, this morning while it was cooler, we made sure we caught up! Have a look at the most recent prizes won by classes. If they're not listed and were above target that week, don't panic! This doesn't mean they haven't won anything, it just means that they've had their roll prior to today's assembly.

SATs Week Bonus

Year 6 Yellow: +5 minutes Golden Time

As Year 4 Yellow are the only class to be consistently green (above 97.5%) this half term, we have them an extra roll just for being so fabulous! They won access to the ICT Suite at break time! As it fully air conditioned, this was rather a popular prize in the current climate!

As this letter shows, we are doing everything we can to reward positive attendance. Please ensure that your child isn't downhearted if they miss out one week as, at Manor Green, every week is a new week! Even if your child's class miss target, they could still win the most improved class from the previous week.

Thank you for your continued help and support – it really does make a difference.

Yours sincerely,
