Dear Parents and Carers,

I hope that you enjoy reading your child's report when they bring them home tonight. All of the children have worked hard this year and we are extremely proud of each and every one of them. They have truly modelled our values of: care, share, fair and dare, and always done so with a smile on their faces.

The following link is to the page on our website where you can view the statutory published data which DFE require all schools to publish at this time of year. We are pleased with the efforts and progress from their starting points of all of our children in this academic year.

Please remember that to us education and learning is more than a statutory attainment test. Your children really are our future and the world is in their hands.

Thank you for your continued support.

Yours sincerely,

Mrs. D. Warren
