Dear parents and carers,

I hope you are all enjoying the summer break together and are as excited for the new academic year as we are! As you might be aware, there have been some exciting developments at Manor Green already with plenty more to come before we're back on Tuesday, 4th September.

As part of our ongoing commitment to improving communication between home and school, I am writing to you today to invite you to join us for an informative meeting about the coming academic year on Thursday, 6th September. Following feedback from parents and carers, the meeting will take place at 3 different times throughout the day to ensure that as many of you as possible can attend. **You will only need to attend one of the meetings** at either 9:00am, 4:00pm or 6:00pm. I expect the meeting to last no longer than 30 minutes.

The meetings will allow us to share our priorities and expectations for the new academic year, talk about our curriculum and homework expectations, discuss key policies, share some of the exciting changes that have taken place with you and, after the meeting has finished, give you the chance to ask any questions that you may have.

We are committed to continuing to improve communication with parents and carers to ensure that every child at Manor Green knows that **they** are the future and the world is in **their** hands.

Enjoy the rest of your summer break and we look forward to seeing you all, safe and well, on September 4th and I look forward to welcoming you to our parents' meetings on Thursday, 6th September.

Thank you for your continued help and support.

Yours sincerely,

Mr. S. Mycroft
