Monday 17th September, 2018

Dear Parents & Carers,

We have some exciting whole community events coming up in the next couple of weeks which we hope will raise money for two great causes.

On **Wednesday 26th September** we have our **TOUGH MUDDER**. This will be Manor Green's version of the endurance challenge you may have seen advertised. The idea is that you complete the obstacle course but the conditions are particularly wet and muddy. The children will get sponsored to do the assault course challenge as many times as they can, in a set amount of time.

We are hoping to raise money towards the coach travel for our amazing whole school trips – the Pantomime and the beach.

Adults may join in too. There will be a £5 flat fee and you can join your child's class to complete the course. We hope this will be fun, competitive and squelchy!

Our second event soon is **Coffee & Cake Day in support of MacMillan Cancer** support. This will take place on **Friday 28th September**. We would like you to come to join us for coffee / tea and cakes from 2.00 pm. Once you have enjoyed a cake you may visit your child's class and take part in a creative activity. This will give you the opportunity to see your child's new classroom environment.

MacMillan gives invaluable help to families who are dealing with a cancer diagnosis supporting the patient and their families through this difficult time. It seems that now cancer touches everyone's lives in some way and certainly here at Manor Green we have had staff, friends, children and members of our community who have had to deal with cancer, so we hope we will be able to support this worthy cause whole-heartedly.

We would like to ask for donations of cakes (to be brought on the day) and the children can buy a cake at break time by bringing some money as a donation. If you join us in the afternoon, please bring a donation to support MacMillan.

We hope that both events will be a great success and give us the opportunities to come together as a school community.

Thank you in anticipation.

Mrs R Pickerill (Assistant Principal)
