Dear Parents/ Guardian.

The question in Nursery next week is; What number is your house? Please will you show your child the number on your door/house and see if they recognise it or can tell you what it is. If you would like to send a photograph in with your child and the door number that is fine but optional. Next week, we will be talking about the number where they live and why this is important.

We have been making something in Nursery that we would like to send home. We would like to take the children to the post box across the road. We would do this in very small groups over the next week. It will be a nice opportunity for them to see where letters go and then them arriving at home.

Please will you sign and return the slip below if you give consent for your child to visit the post box with a member of staff. If you have any more questions about this please do not hesitate to ask.

Many thanks,

Miss V. Read
