Dear parents and carers,

## **Parent Forum Update: Photographs Survey**

As you'll know, photographs, and the format they take at Manor Green, were discussed and, to ensure that we are providing what you want, we shared a survey with you. Take up on individual photographs has decreased over recent years and therefore this course of action was taken. At the time of writing this letter, we've had 134 responses from approx. 250 families at Manor Green, so we feel that these results are representative enough to make a decision on this matter.

The results of the survey have demonstrated that there is a demand for individual photographs. Mrs. Flowers has kindly arranged for the school photographer to visit on **Thursday, 15<sup>th</sup> November 2018. Individual and sibling photographs will be taken on this day.** All children should be in school uniform.

A letter will follow in due course with a reply slip for you to provide relevant details. Class photographs are scheduled to take place in May 2019. Again, relevant details will follow in due course.

On behalf of our Parent Forum, I would like to thank you for your engagement in this survey and hope that you are happy with the outcome.

As always, if you have any comments, questions or concerns, please do not hesitate to contact us via the academy office.

Thank you for your continued help and support.

Yours sincerely,

Mr. S. Mycroft  
Vice Principal

**Full details of the results from our survey can be found on the next page.**
