Dear Parents/Guardians

It is with regret that **due to the lack of support** our annual **Christmas Fair and Santa's Grotto**, which we had intended to hold on **Tuesday 11th December 2018**, has had to be **CANCELLED**. We do not enjoy cancelling events and appreciate that some children will be disappointed with this decision but this event takes a lot of planning and we need help from many volunteers which unfortunately we don't have at the moment.

However, we do want to do something for the children and raise valuable funds at the same time so we are willing to hold a **Christmas Movie night** on the same date. More details to follow.

Yours faithfully,

T. Thorley
