Wednesday, 28th November 2018

Dear parents and carers of our reception children,

As you will appreciate, a big part of children's learning in the Early Years Foundation Stage is to develop independence and confidence across all areas of school life. With this in mind, and to support our continued efforts to improve our indoor and outdoor learning spaces, we will be changing entry arrangements for our reception children from **Monday, 3rd December**.

From this Monday, children will enter through their classroom door (the same door that is used at the end of the academy day). Children will say goodbye at the door, providing as many hugs and kisses as needed before entering the class on their own and heading to their cloakroom. Staff will support children as needed in the cloakroom area before children then return to class ready to start their learning. As only your child's class will be entering via their door, this will give you easier access to the staff to pass on urgent messages if needed.

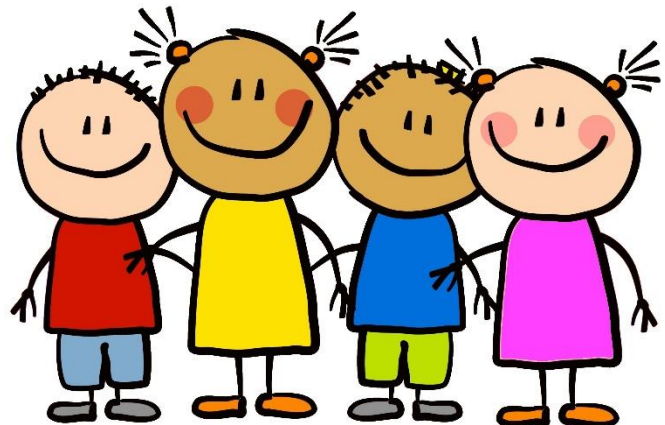

As you will have noticed, especially those of you who were with us last year, children in nursery enter their classroom independently and hang up their own coat – this is something that should be built up on in reception.

We are sure that our children will rise to this challenge and enjoy their increased independence from Monday. If there are any tears, this is to be expected so please don't worry.

As always, thank you for your continued help and support. If you have any questions, please speak to your child's class teacher in the first instance.

Yours sincerely,

Mr. S. Mycroft
Vice Principal
