26th February 2019

Dear Reception parents and carers,

Firstly, may I extend my thanks to you and your children for your flexibility whilst we have been endeavouring to get the temporary classrooms in place for Reception. As you may have guessed, these were not ready for when they were originally supposed to be, but they have been handed over to us this afternoon.

Arrangements for dropping children off and picking them up

TODAY: 26th Feb 2019 – please collect Reception Green children from the Nursery doors and Reception Yellow children from the ICT Suite doors. These are the same doors that you were using before the half term holiday.

FROM 27th FEB 2019: All children can be dropped off at the cabin steps and collected from the cabin steps. Despite paths being widened, this is a tight space as other parents will also need to use the pathway to collect children. Please can you wait as close to the silver fencing as possible and NOT on the actual steps to the portacabins. Please bear with us, we will release children as quickly as we can, but this may be slower than previously as we are all using one door.

We would like to invite you to see the new classroom areas and also to take part in some activities with your children on **World Book Day 2019, Thursday 7th March, from 1.30pm.** At this time, we will also present the children with their Superstar Awards for the last half term as with the disruptions before we broke up we know that you did receive your invitations for this event.

Thank you for your continued support.

Yours sincerely,

Mrs. D. Warren
Principal
