17th March 2019

Dear parents and carers,

In this increasingly technological age that we all live in we have teamed up with Community Safety at Tameside MBC to secure an e-safety workshop for adults.

The sessions is aimed to be delivered to up to 20 individuals and lasts for **1 hour**. It will cover all aspects of internet safety, the dangers, how to prevent them, and where to go for further help. This will apply to computers, tablets and mobiles. The sessions also incorporate children's apps and how to ensure they are safe and secure.

The date for this session is **Wednesday 27th March 2019** and it will begin at **3pm**.

If you would like a place please return the slip attached to Mrs Flowers by 22nd March 2019. Please indicate if you require childcare for your school aged children and we will accommodate this for you.

Thank you for your continued support.

As always if you have any questions please do not hesitate to contact me.

Yours sincerely,

Mrs. D. Warren
