Dear parents and carers,

I am writing to you today to provide some additional details about share details of our 'Meet the Teacher' meetings as part of our transition arrangements as your children prepare to move to their next classes. We have listened to feedback from staff, parents and children about our class names and meet the teacher meetings.

From the start of the next academic year, our class names will follow the structure of year group and the first letter of the teacher's surname. Where there are 2 teachers in a class, both surnames will be referenced. Details of the class names (along with the current name) can be found below. Feedback from parents and carers has been that the 'Meet the Teacher' and year group expectation meetings would've been more useful before the summer break. Staff have worked together to put the arrange meetings to discuss year group expectations and say hello before the end of this academic year. Details can be found below:
