13th January 2020

Dear families and children,

I hope the start of the new year has gone well for you and your children. It has been lovely to see our children, the classrooms and ongoing improvements to the learning environments when we were in for our Partnership Visit this afternoon.

I am delighted to inform you that from 1st February 2020, the Trust has decided that Mrs Thornton will become the permanent Principal at Manor Green.

Mrs Thornton is a highly experienced Head Teacher who has been one of our Academy Improvement Partners for almost five years. During the Autumn term as Interim Principal she worked with the leaders, staff and Task Group to transform Manor Green. Her permanent appointment will provide Manor Green with the security and high expectations needed to secure ongoing improvement.

I trust we can count on your continued commitment and support.

Wishing you a happy and successful term.

Kind regards,
