Dear parents, carers and friends,

Firstly, on behalf of the whole of #TeamManorGreen, I would like to wish you a very happy new year. May this new year, and indeed the new decade, be filled with laughter, love, health and happiness for you all.

It was amazing to see of the children back at school today, ready and raring to go with their learning and catch up with their friends. It has also been lovely to officially welcome Miss Roebuck and Mr. Pollard to our Early Years Team.

In our assembly this morning, we spoke about the fact that we wouldn't be encouraging children to make resolutions but instead to focus on making plans and thinking about their dreams. Resolutions can often be easily 'failed' whereas plans require aspiration, planned achievements and successes to celebrate.

This led nicely on to sharing our brand-new school vision: **Aspire. Achieve. Succeed.**

We asked our children to think carefully about their dreams and think, 'Are they big enough?'. With clear aspirations, we can all achieve whatever we set our minds to leading us to huge success!

I'm very much looking forward to an amazing 2020 at Manor Green!

Thank you for your continued help and support.

Mr. S. Mycroft  
Vice Principal
