Dear parents, carers and friends,

### Parent Partnership Working Party – Meeting 1

This morning, we held our first meeting of our 'Working Party' to discuss what we can do to continue to improve our partnerships with parents and the wider community.

I am writing to share the outcomes of the meeting with you and let you know our next steps.

At the meeting we discussed:

- External signage and how welcoming our school entrance areas are;
- The structure of our Parents' Evenings and the length of appointments;
- Our school uniform – including a discussion about how our logo represents our school;
- Parental involvement – specifically the Friends of Manor Green and recruiting new members to support whole school events.

The meeting this morning was purposeful and enjoyable with some exciting next steps identified.

Our next steps are:

- Explore bright and colourful 'Welcome to Manor Green' external signage;
- Consult with parents and staff on the structure of Parents' Evenings;
- Consult with parents, children, staff and wider community on if our logo represents our school;
- Consult with children, parents and staff on our uniform ready for September 2020.
- To post copies of the weekly newsletter in the external notice boards on the front of school.
- To relocate the signing in system in the main entrance to increase confidentiality;
- To replace and relocate the screen in the main entrance to further promote events and activities.

As you can see from the list above, this was a very productive meeting with lots of next steps. I am aiming to have the uniform and parents' evening consultation surveys out to you by the end of this week. Please ensure that you encourage as many parents and carers as possible to complete the surveys so that we can have a fully representative view considered in decision making.

Thanks again for your continued help and support.

Yours sincerely,

Mr. S. Mycroft  
Vice Principal
