Friday 6th March, 2020

Dear Parents / carers,

Year 5 have booked an Anglo-Saxon workshop for **Thursday 26th March, 2020**. The workshop is being delivered by a professional company who have been delivering educational workshops to schools for several years. The company (Historic Workshops) provides highly educational and informative days that aim to excite and engage the children in the historical period of which they are learning about. The workshop they will provide is of a very high standard and will be invaluable to your child's learning and understanding of the historical period that they are studying this term. As well as bringing a range of artefacts and facilitating activities which we simply cannot do in school, they will also bring expert-level knowledge which will give the children a deeper understanding of the period.

As this is a workshop, delivered in school, the cost of the day is far less than if we were to take the children on a trip outside of school. There are no coach costs, no admission fees and there is no spending money required. Another benefit of having a workshop in school is that the children will get a full school day of learning, as opposed to wasted learning time when travelling.

To make this day happen, we rely on parental contributions, as school budgets simply cannot fund invaluable opportunities like these. If we do not get enough of a contribution towards the cost of providing such a day, it will mean that we cannot provide similar days in the future. Any contribution you can make will help the school, and ultimately the children. Ideally, we are looking for a contribution of **£6.58** off all of the parents of children in Year 5 to cover the cost of the day.

Please pay on ParentPay by Friday 13th March.

Thank you for your continued support.

Year 5 class teachers.
