Dear parents and carers,

Good morning, I hope this update letter finds you safe and well.

After the government announcement last night, we are awaiting instructions from the Department for Education (DfE). All schools are to close on Friday with some provision available for certain groups. We are working with the DfE, Focus-Trust and our leadership team to work out how this will affect our families. We are currently waiting for the agreed list of key workers from the Government and will be asking parents to inform us if you feel you are in any of the categories. Due to staff shortages, please contact us via email (manorgreen@focus-trust.co.uk) rather than phone.

If you and your partner (or just you if you are a lone parent) do fall in to one of the agreed categories (once confirmed by the DfE), we will require you to show us evidence of this to ensure that we are offering the appropriate provision to those in need.

We are very grateful to Graham from Absolutely Catering (our catering company) for joining us today to provide a hot meal for children. The spirit of #TeamManorGreen stretches far and wide!

Also, for those of you who are already self-isolating and have been unable to collect your home learning pack, our fabulous teaching assistants are out and about delivering these packs this morning. Remember that, in addition to these packs, there are also a range of resources available on our website:

As soon as we have more to share, we will do so.

Take care and stay safe.

Kind regards,

Mr. S. Mycroft
Vice Principal
